“Very sad to learn that Dr Jain passed away earlier today. A very profound loss for his family and a major blow to our industry in India... Prem was one of those unique and well respected authorities in our industry and made unparalleled efforts to promote and implement environmentally advanced technologies to assist the good people to live a healthier lifestyle. A very sad day!”

- Russ Chaney, IAPMO

“Dr P C Jain has created a proud family of the Board at CII - IGBC of motivated individuals, who have now decided to fulfill Dr. Jain's mission sooner than later. In Dr. Jain's own words, we only have one single 'Mother Earth' and what can we do together for 'Dharti Maa' is the question?”

- Gurmit Singh , President IPA

“Members of IPA National Executive Board, National Executive Committee and the IPA fraternity deeply mourn the death of Dr P C Jain.

Dr P C Jain was an IPA Founder Member, a 2005 IPA Life Time Achievement Award recipient and a strong supporter of IPA who advocated Good Plumbing Practices throughout his life.

Dr P C Jain will be remembered as a smiling personality and a big achiever on various fronts, one who led the building industry from different platforms and brought about the desired change.

We at IPA, mourn his loss and pray for the departed soul to rest in peace.”
